FROZEN EMBRYO TRANSFER CYCLES

Below is an estimate of our Frozen Embryo Transfer (FET) cycle and the associated up-front fees payable to Stellar Fertility, along with the estimated out-of-pocket costs after applicable Medicare Rebates have been claimed. An informed financial consent will be provided specific to your cycle once a treatment plan has been confirmed with your specialist.

Initial Embryo Transfer in a Calendar Year

Treatment / Services Payable to Stellar Fertility	Upfront Fee	Estimated Out-of-Pocket	Payment Due
Planning & Management – 13209	$550	$464	Day 1 of cycle
Frozen Embryo Transfer Cycle – 13218	$3,450	$2,310	Day 1 of cycle
Specialist Embryo Transfer – 13215	$350	$176	Day 1 of cycle
TOTAL	**$4,350**	**$2,950* after Medicare benefits paid**	

*** The out-of-pocket costs are calculated on the initial embryo transfer cycle assuming that the Extended Medicare Safety Net Benefit has not been reached. If you have reached the Extended Medicare Safety Net- out of pocket costs may be much lower.**

First Frozen Embryo Transfer Cycle Following a Freeze All Embryos IVF Cycle (Reduced Fee)

As part of an IVF Freeze All Cycle, any suitable embryos will be frozen for future use. If you then proceed with a Frozen Embryo Transfer (FET), this is considered a new treatment cycle. Stellar Fertility offers a reduced fee for the first FET cycle following an IVF Freeze All Cycle.

Treatment / Services Payable to Stellar Fertility	Upfront Fee	Estimated Out-of-Pocket	Payment Due
Planning & Management – 13209	$550	$451	Day 1 of cycle
Frozen Embryo Transfer Cycle - 13218	$2,000	$267	Day 1 of cycle
Specialist Embryo Transfer – 13215	$350	$176	Day 1 of cycle
TOTAL	**$2,900**	**$894*** after Medicare benefits paid**	

****The out-of-pocket costs on this Embryo Transfer Cycle are calculated assuming that applicable Medicare Rebates and Safety Net Benefit have been reached and claimed. If you are yet to reach the EMSN your out-of-pocket costs may be higher.**

Additional Fee Information

1. All medications listed with the Pharmaceutical Benefits Scheme (PBS) will require a co-payment to the pharmacy of approximately $25 per script. Any possible additional medications prescribed that are not on the PBS will be charged at full cost.
2. Blood tests and external ultrasound imaging scans performed during an IVF Cycle are not Medicare eligible and may incur private costs for patients set by the service provider.
3. Following the first frozen embryo transfer after a freeze all cycle, standard cycle fees resume

** Out-of-pocket cancellation fees only apply when a cycle is cancelled by the patient due to a non-medical conflict or change in personal circumstances. Where cancellation is medically necessary or recommended for clinical reasons, the cancellation will be bulk billed, and no out-of-pocket cancellation fee will apply.
